

PROJECT: Mass General Hospital
LOCATION: Boston, MA
PROJECT TYPE: Hospital
EOR: McNamara/Salvia Inc.
GC: Turner

“Working with Qnect’s top Integrated Steel Delivery (ISD) team, McNamara Salvia was able to deliver a conformed package of drawings, connected model, and details that streamlined the bidding process and allowed us to provide value directly to the owner in the form of optimized connections in a competitive environment.”

– John J. Tracy, McNamara/Salvia, P.E., LEED® AP
